**ADMINISTRATIVE LAW JUDGE'S RULING
IDENTIFYING AND RECEIVING EXHIBITS**

During the hearings in this proceeding, exhibits 20 and 23 through 31 were identified, but their receipt into the record was deferred pending possible cross-examination. There was no cross-examination on exhibits 23 through 31. The Office of Ratepayer Advocates (ORA) performed electronic cross-examination on exhibit 20. No objections were raised to the admission of any of the exhibits. Accordingly, exhibits 20 and 23 through 31 are received, effective September 14, 2001, the date originally scheduled for cross-examination and receipt.

In addition, the responses of Sierra Pacific Power Company to ORA's electronic cross-examination (including the questions) is marked as exhibit 32, and is received, effective September 14, 2001, the date originally scheduled for its receipt.

Southern California Gas Company (SoCal Gas) filed a motion on September 20, 2001, for leave to submit a late-filed exhibit, for the purpose of correcting a numerical calculation error. No objections were received. Attachment B to SoCal Gas' motion is marked as exhibit 33, and is received, effective September 24, 2001.

IT IS RULED that as described above, exhibits 20 and 23 through 33 are received into the evidentiary record in this proceeding.

Dated October 3, 2001, at San Francisco, California.
